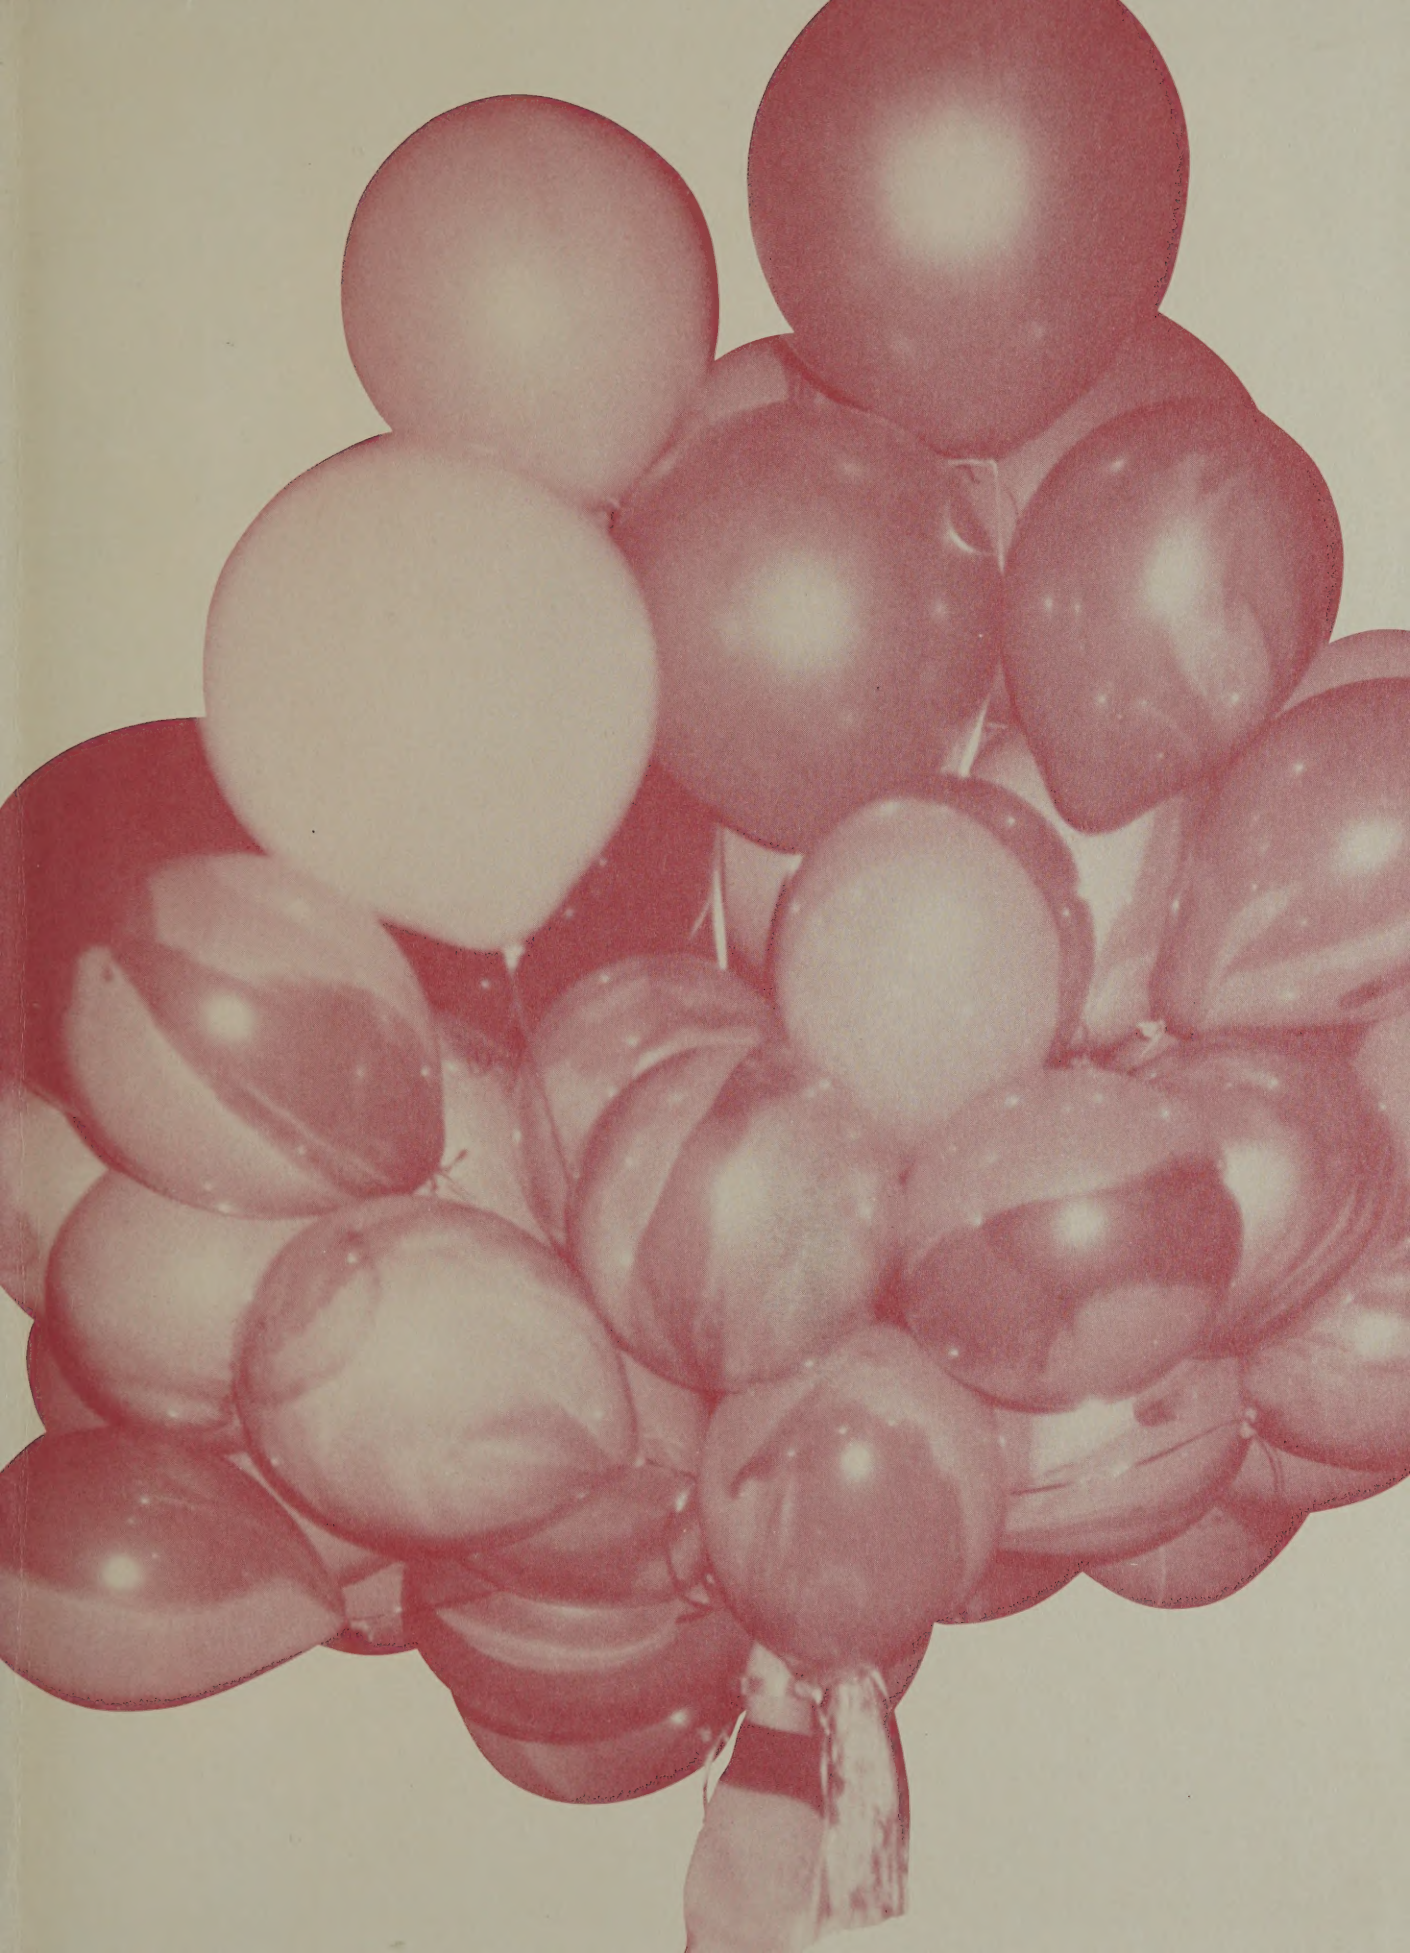
MILLBURY HIGH AFTERMATH



1985 AFTERMATH

Millbury Memorial High School
Millbury, Massachusetts

THANK YOU!!!

Thank you just doesn't seem to fully express the gratitude we have towards **Mr. George Desrosiers,** our class advisor.

From the day we asked him to be our class advisor freshmen year until our Graduation Day, George has dedicated himself to the success of our class. He didn't run our class however, he allowed the President, with input from the class, to take charge. He only advised, which allowed growth throughout the class.

Through the four years of working on fundraisers and events, special friendships developed between George and class members. The class was run with mutual respect between George and class members

Through his determination our class developed an excellent reputation of being united. George was the basis of all of our successes.

Our gratitude goes also to **Mr. Eugene Genese,** our yearbook advisor. Through his guidance and support we were able to produce a successful yearbook for the Class of '85.

HALLOWEEN

Our first senior year fund raiser was a Children's Halloween Party on October 29, 1984. This event was advertised throughout our town for people in the community. All of the children wore costumes. Members of the senior class played games with the children, and led them through the terrifying haunted house. The evening was as much fun for the participating seniors as it was for the children. It was a truly haunting experience.

On Wednesday, October 31, we had our Senior Dress-Up Day. Most of the senior class dressed up in unusual and creative costumes. The day was full of fun, with laughter and smiles illuminating the senior class.

JUNIOR PROM
"Wonderful Tonight"

Our Junior Prom was held on May 18, 1984 at the Hogan Center of Holy Cross College. A buffet was served which provided a wide array of foods, and Crosswinds provided hours of enjoyable music for dancing and entertainment.

The Prom Queen and her Court were chosen halfway through the evening. The Court consisted of Lori Akley, Brenda Bergeron, Heather Christman, Sharon Frazier, Donna Lawson, and Kristin Mangiulli. Cindy Willand was the Prom Queen.

Our Prom night was spectacular. It was the first formal occasion most of us had experienced, and everyone fully enjoyed themselves. The memories of our special night will live forever. It was definitely a "Wonderful Tonight!"

Lori Akley, Brenda Bergeron, Heather Christman, Cindy Willand, Sharon Frazier, Donna Lawson, Kristin Mangiulli

SEMI-FORMAL

Our Senior Semi-Formal was held on Friday, March 22, 1985 from 7-12 pm. The band, Arctic Beach, supplied the music and added to the memorable evening. The Semi-Formal took place in our gym, which was uniquely decorated in red, white, and pink. Through the use of hundreds of balloons and streamers an intimate setting was effectively created. This event was the first of many to come during the last few months of our senior year.

SENIOR SUPPER

Maironis Park was the setting for our Senior Supper, held on May 24, 1985 at 7:00. The evening began with a slide presentation of the Class of 1985 at numerous fund raisers and events during the past four years of High School. "Looking back" was fun and at times very funny since we've all grown and changed.

The Class Gifts were given out after the slide presentation. Heidi Robbins and Kristin Mangiulli wrote and presented a class gift for everyone. The gifts were both funny and creative which added to the free spirit of the evening. After the gifts were presented the rest of the evening was for socializing; the dance floor was filled with fun-loving Seniors awaiting June 2nd, our Graduation Day.

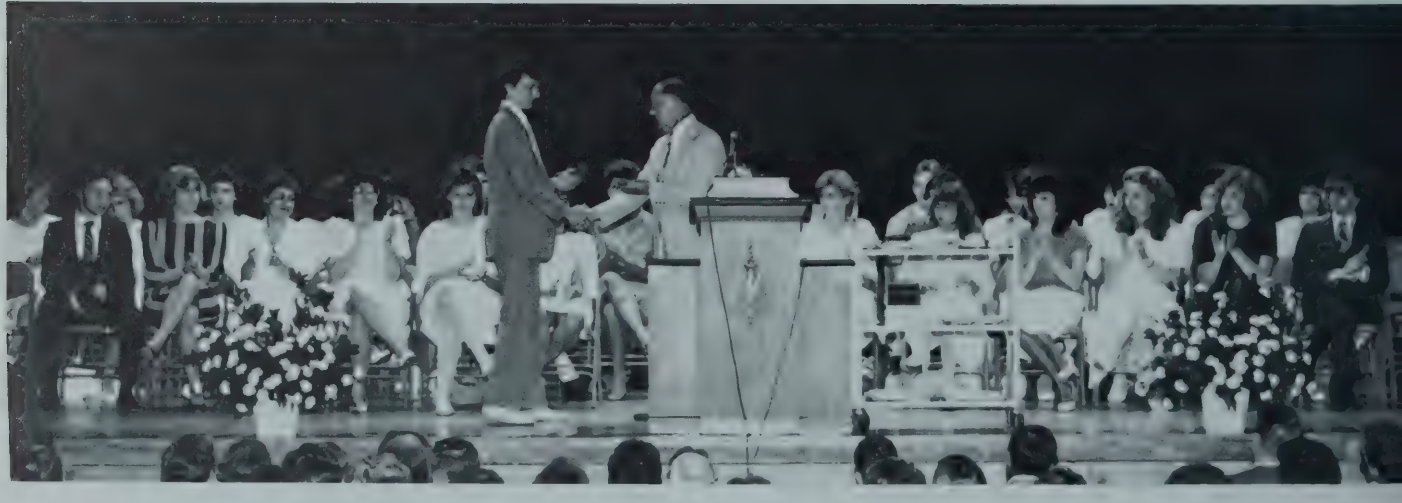
CLASS TRIP

Our Class Trip was held on Wednesday May 22, 1985 at the Frank Davis Resort in Connecticut. The weather was beautiful. A sunny sky and warm temperatures made our trip more enjoyable.

The day was full of activities and competitions. We were invoved in many track and field events, like tug-of-war, wheelbarrow and sac races, and a balloon toss. Also, there were many other activities available to take part in like canoeing, horse back riding, golf, volleyball, and swimming. Our own Susan Murray won a swimming contest in which she competed against other schools.

Lunch and dinner were served at the Resort. Both meals were excellent and greatly appreciated during a very eventful day. A dance contest was also held, and many in our class danced their hearts out and definitely stood out. When it was time to head home, our class was exhausted and most of our faces were burnt. Everyone thought the day was exciting and fun and worth waiting for.

AWARDS NIGHT



CLASS DAY

Friday, May 31 was the date of our Class Day. This was the last activity our class shared as high school students. Graduation was only two days away.

The class history was the first item discussed. We looked back on our four years during High School. We remembered all of our hard-working Class Officers, and the many fund raisers we organized. We also remembered our outstanding winning record during the past three Winter Carnivals as well as our memorable Prom Night. Through our class history it became evident that High School has had many "great times" we'll never forget.

The Last Will and Testament and our Class Prophecy were also read which brought laughter as well as a sense of unity within our class.

Before our Class Day was completed, Georges Desrosiers, our class advisor, was presented a watch from the Class of 1985, in appreciation for the dedication he's shown towards our class. As our class dispersed from our Class Day activities, excitement and anticipation for graduation was definitely in the air!

GRADUATION

Finally the day we'd all been waiting for came, June 2, our Graduation Day.

Walking in the processional out onto the field generated feelings of pride. Parents, relatives, and friends assembled to watch us proceed into adulthood. We, each member of the Class of 1985, were honored.

As "Pomp and Circumstance" played, the actual meaning of Graduation became evident. The ceremony was to show the individual accomplishments of every class member. Finally, we were recognized for our own achievements.

After assembling on the bleachers, Donna Young began her speech. Everything she said was true. As we looked around the realization of never seeing classmates again became a reality. Acquaintances we have taken for granted were ending - we'll all be expanding our horizons differently. It's scary - we're not going to be able to hide within the walls of Millbury High School anymore.

Ken Heard was the next speaker. He spoke of the growth that is represented through Graduation. It was so hard for us to believe that it's time to take complete responsibility for our lives. We found it hard to believe, we're actually adults.

Kristin Mangiulli was the last student speaker. She spoke of optimisim. In High School we had great times, but they are over now so we must turn to the future with hope. She's right. What's done is done and it's definitely time to move on and the choices we make could turn out to be the best years of our lives.

Finally our guest speaker Dr. Maurice Plasse relayed an encouraging message. His philosophy was to attack life with determination and success will be guaranteed. While listening to him, we thought of our own expectations and goals. We realized determination is an essential factor in making our dreams come true.

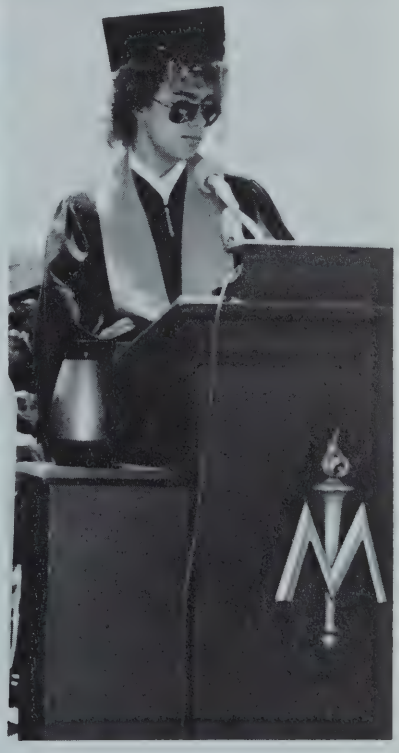
After the speeches, we were glad to have the chance to stop thinking of what's to come and what's been and watch every classmate, one by one, receive their diplomas.

We'd been looking forward to this day for a long time. As we switched our tassels from the left to the right side, we found ourselves not actually believing we graduated.

It was over so quickly. This was the last time we, the Class of 1985, will be all together. We'll remember this day forever. It's so hard to believe it's all a memory now.

JUNE 2, 1985

FINALLY!



LIKE THAT BIRD UP IN THE SKY
LIFE HAS TAUGHT US
HOW TO FLY

CLASS SONG
FLYING FREE

There is a place I call my own where
I can stand by the sea,
And look beyond the things I've known,
and dream that I might be free.

Like the bird above the trees gliding
gently on the breeze, I wish that all
my life I'd be without a care,
and flying free!

But life is not a distant sky
without a cloud, without rain, and I
can never hope that I can travel
on without pain.

Time goes swiftly on its way. All
too soon we've lost today.

We cannot wait for skies of blue
or dream so long that life is through
So life's a song that we must
sing, a gift of love — we must share.

And when we see the joy it brings,
our spirits soar through the air.

Like that bird up in the sky,
life has taught us how to fly.

For now we know what we can be
and now our hearts are flying free!

UP IN THE SKY
GHT US
FLY

Last Will and Testament

We the class of 1985, being of sound mind and body, do hereby bequeath all of our worldly possessions in the form of this Last Will and Testament.

To *Mr. Wadsworth*- a one way ticket to Walden Pond
To *Roger Desrosiers*- we leave a lifetime subscription to Newsweek Magazine
To *Miss Gauthier*- the final solution to the "no can do" problem
To *Mr. Wild Bill Rosen*- we leave his three stoogers
To *Mrs. Matthews*- a library full of screaming eighth graders
To *Mr. Morill*- we leave a new car, which might make it to and from the statehouse without any problems
To *Georges Desrosiers*-many years of rest and relaxation before taking on another class?
To *the Junior Class* we leave half of the winter carnival trophy with the hopes that they will win the other half next year
To *Ms. Defeudis and Mrs. Saucier*- for all of their advice on how to run a successful class we leave ourselves as proof that they were right
To *Mrs. Julian*- we leave a soundproof room so she can better discuss sex in her family living class without shutting the door so the janitors don't listen
To *Mr. Nicoletti*- we leave a girls track team with all its members present and on time
To *Mr. Boudreau*-we leave the ability to hold a photography class without Mr. Sack interupting
To *Mr. Clancy*- we leave another fifth period english class that can voice only one opinion
To *Mrs. Dupont*- who has helped us with so much we leave another enthusiastic class that will put to use her good ideas
To *Ms. Debs*- we leave a new bag to carry all her important papers in
To *Mr. Carmody* -we leave many thanks for being there with us through our precious junior high and high school years
To *Mr. Sack* we leave a Sabbatical
To *Mr. Healy* we leave a ghost from the class of '85' so he won't be able to forget us and will always miss us.
To *Lucien* we donate all of our returnable bottles and cans to supplement his income
To *The Guidance Department* -we wish to leave a little more patience with those college bound seniors who refuse to submit college applications on time
To *Miss Harrington*- we leave a gym class that will stand quietly with their toes on the line for roll call
To *Mr.Cap* -we leave a lesson in self defense and a pair of sunglasses to wear afterwards
To *all those teachers* not mentioned we leave a magnifying glass so they can read Georges' writing

And so we submit this Last Will and Testament on this thirty-first day of May Nineteen hundred and eighty five as witnessed by Nancy McInerney and Sharon Frazier

WINTER CARNIVAL

This year's Winter Carnival was filled with much excitement and spirit. It was a competition between all of the classes throughout the week.

The signs of friendship and good sportsmanship were shown throughout the week. People became friends and worked together. The week ended with a dance to announce the winners. The result was both a shock and a surprise to all the classes. The Juniors and the Seniors had tied. Since the Senior class had won the past two Winter Carnivals, they again came out on top.

The Sophomore class finished third while the Freshmen finished fourth. All of the classes worked hard to make this year's Winter Carnival a great success.

NATIONAL HONOR SOCIETY INDUCTION

The 1984-85 school year was a busy one for the National Honor Society. The members, Lynne Andresano, Heather Christman, Michelle Diguette, Lisa Gagne, Joseph Gagliardi, Elaine Golinski, Kenneth Heard, Christine Luikey, Stacey McKenzie, Amy Moore, Heather Needham, John Phillips, Heidi Robbins, Virginia Sprague, Audra Tella, Lisa Williams, and Donna Young worked hard throughout the year to sponsor services such as a canned good drive for the needy and a blood drive. The Honor Society also provided baskets for needy families during the Christmas season, and held a carnation drive for Valentine's Day. The highlight of the year for the National Honor Society, however, was the induction of new members on Friday evening, April 26. Kathy Jo Bruno, Wayne Cluett, Robert Forte, Lisa Iacone, Daniel Najemy, Lynne Picard, Karin Stead, Brett Taft, James Tuttle, and foreign exchange student Kam Kit Wong were inducted during the formal ceremony. Senior Honor Society members discussed the qualities of the National Honor Society, and the chorus provided entertainment. It was a beautiful and memorable evening.

NATIONAL HONOR SOCIETY

JUNIOR PROM

The Junior Prom was held at the Hogan Center on the campus of Holy Cross on May 17, 1985. The band, Nightshift, provided a nice variety of music for everyone to dance throughout the evening.

The highlight of the evening was the choosing of the prom queen. Stacey McKenzie was the queen and the members of her court consisted of Christine Luikey, Laurie Fountaine Jodi Walkonen, Kelly Tuttle, Janet Nelson, and Gail Scholtz. "Heaven" was played twice during the night, once for the queen and her court and once for everyone to enjoy. The theme, "A Night in Heaven" was very appropriate for an evening that will stay in the minds of many for years to come.

STUDENT GOVERNMENT DAY

Student Government Day was held on Monday April 29, 1985, following a week-long campaign and a day of voting. Juniors and seniors were allowed to run for the various town offices, including seats in the school department, the Millbury Public Library, the town hall, and various other positions. The winners spent the day with their counterparts, and learned a lot about the workings of local government. After a morning of information and questions, a buffet was held for the town office holders and their Millbury High counterparts at the Asa Waters mansion. The day was not only informative and interesting, it was fun as well.

S.A.D.D. WEEK

SADD Week was a huge success for both those who coordinated it and for those who participated in it. The week consisted of many presentations and guest speakers, including Philip Vairo, president of Worcester State College. The first three days of the week were filled with a variety of presentations ranging from skits to films to guest speakers. The fourth day of the week a Health Fair was held. At the fair were a variety of agencies which dealt with teen concerns and problems. The week was concluded with a memorial service and rally, conducted in memory of lost friends.

Even more exciting than the events of the week was the great enthusiasm which was raised through out the school. The week seemed to have a great effect on the whole school as the dangers of drinking and driving were made evident.

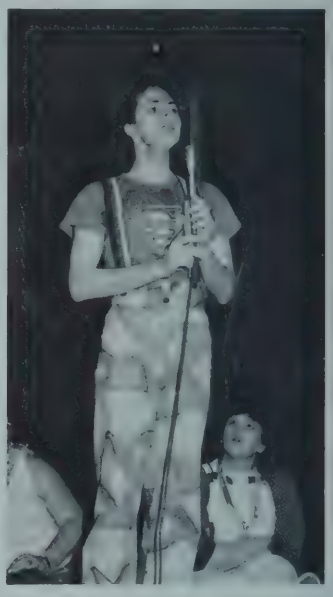
GODSPELL



On March 15 and 16, 1985, the music and drama departments collaborated to present "Godspell," a contemporary musical based upon the gospel according to St. Matthew. The musical is a light- hearted and touching way in which to spread the word of the Lord.

Mr. Eugene Genese directed the production, with Mr. Roger Desrosiers serving as producer. Mr. Gerald Poulin was the music director. The cast consisted of Kenneth Heard as Jesus Christ, Dean Giovanucci as John the Baptist and Judas Iscariot, and Deborah Casey, Heather Christman, Elizabeth Cox, Michelle Diguette, April Fristensky, Paul LeBlanc, Patricia Maguire, Amy Moore, Heather Needham, Nicole Pappas, and Donna Young as the faithful followers of Jesus.

The production was an enormous success, and will be long remembered by its audience as well as its cast and crew.

Coach Tom McKenny

This year's football season was another tough one for the Millbury Woolies. Although the team didn't win any games, it had several excellent, dedicated players. Team captains Eric LeClaire and Rich Mahlert were both hard- working players who were fine leaders at all times, both on and off the field. Bruce Langlais' skills as a running back matched up to anyone else in the league, and Dan Mitchell was one of the better line backers that Coach McKenny had the pleasure of coaching. Both Alan Shorette, defense- back and wide receiver, and rookie Kevin Simpson also had a great season. In Coach McKenny's own words, "I've never been prouder of a bunch of seniors like I was of the '85 seniors!"

Top row: Karen Adams, Deidre Phelan, Sandra Imbody, Debbie Noel. *Bottom row:* Jennifer Babbidge, Audra Tella, Heather Bourassa, Donna Hovogimian, Michelle Godbout.

This year's volleyball team started off on shaky ground with only one returning player, Audra Tella. The team was also under two new coaches, Mrs. Susan St. John and Mrs. Linda Snider. According to Coach Snider, the 1984 volleyball season may be viewed as unsuccessful in terms of wins and losses, yet it was a season of great individual improvement and growing team spirit and improvement. When viewed in this light, it was an extremely successful year.

Audra Tella proved to be the outstanding scorer for Millbury in terms of her serving throughout the season. She was also relied upon for her experience and leadership during the season. Three other supportive players, Donna Hovagimian, Debbie Noel, and Sandra Imbody, proved to be strong, reliable servers. All players exhibited improvement with Heather Bourassa, of the freshman class, showing the greatest potential for growth.

The highlight of the Volleyball season was an October match against Algonquin. The scores in the match were 15-5, 14-6, and 16-14. It was the team's best match all season. This year's team will be an experienced and enthusiastic basis on which to build a winning team next year.

The Varsity Soccer team had yet another successful year, with a record of 10-2-3. The team had an excellent performance in the District playoffs before bowing out to District Champion Bromfield.

Co-captains Tom Devine and Ron Bourdeau led a team which was graced with outstanding players. In 1984 the team set records for goals scored, shots taken, shots allowed, assists, and corner kick goals, on its way to one of the best offensive performances in area soccer. Ron Bourdeau was an all SWCL full back for the second year in a row, while Tom Devine set school records for assists and corner kicks by a midfielder. Seniors Mark Tower and John Phillips also proved valuable in the Woolies outstanding season. Juniors Brian Parath and Matt Reney played exceptionally and both earned All-State honors. Freshman Tom Grabauskas started more games and played more minutes than any other freshman in Woolies' history.

Overall, this year's Varsity Soccer team had an outstanding and unforgettable season.

The Girl's Varsity Soccer team played its first season this year, and what a season it was! Coach Ron Dunham led the girls to a very successful record of 7-5-2, missing an appearance in the District Playoffs by only one point. The team had an excellent turn-out of underclassmen with only one senior, senior Cindy Willand, on the team.

Three outstanding players with exceptional talent were members of the team. Sophpmore Ellen Ward was named to the Central Mass. All Star team while Freshman Jρdi Bush and Junior Annette White were given honorable mention. Next year's team appears to be very promising; in the words of Coach Dunham, "Look out for Millbury next year!"

season 9-5

The girl's cross country team was relatively new and inexperienced this year, with five of the eight girls being freshmen. The boy's team had many returning members creating a strong and knowledgable team. Team captains Mark Bubon and Heather Christman provided both guidance and leadership which helped the teams to final records of 7-7-0 for the girls and 5-9-0 for the boys.

The boy's team was led this year by first and second place runners, Mark Bubon and Paul Rocheleau. The team also had several other strong runners which helped to achieve victories. Although the team had several talented runners, the boy's just couldn't seem to get it together and the final record wasn't as good as the team had expected.

Although the girl's record wasn't as good as in other years, the team still had an excellent year. High points for the girl's team included wins over Grafton and David Prouty and a tenth place finish by Heather Christman in the SWCL meet.

CHEERLEADING

Not enough can be said about the magnificent effort put in by the cheerleaders this year. Their determination, dedication, stamina, and enthusiasm brought them great success.

It was an excellent season for the cheerleading squad. They cheered the football team through good and bad times, as well as igniting school spirit during the basketball season. After many long, hard hours of practice, the cheerleaders reached their goal of unique squad. Their outstanding unity brought them through the football and basketball seasons with flying colors.

The squad attended a summer cheering camp at WPI, at which they took first place,

making them the Grand Champs. This was obviously a sign of the success they would have throughout the school year.

After the excitement of receiving new uniforms, the girls went on to take first place at the Bartlett Tournament in March. Since this was the first time the Millbury squad had won the tournament, the girls were ecstatic. Deb Casey was honored with the Outstanding Cheerleader Award.

It was an excellent year for the Millbury Cheerleaders, as they exhibited their unique styles, great enthusiasm, and great talents for cheering.

Coach Dave Wilber

The 1984- 85 Winter Track Team had a disappointing season scorewise, but a very good season on an individual level. The team finished the year with a record of 0-7-0 for the girls and a 3-4-0 record for the boys.

The team captains were Mark Bubon, Tom Devine, Tammy Bousquet, and Heather Christman. Tammy Bousquet was by all means the team's spiritual leader, holding the team together in times of trouble and keeping spirits high during the low points of the season. She set an excellent example for the whole team to follow. Dan Rocheleau with 58 ¾ points and Mark Bubon with 57 points led the boy's team in points scored, while Milissa Bubon with 54 points and Tammy Bousquet with 31¼ points led the girls.

This year's team set ten records. Mark Bubon set the senior high jump record at 5'8", the senior mile record at 5:04.5, and the senior 1000 record at 2:37.8. Heather Christman set two records; the senior two mile record at 14:23.0, and the senior 1000 record at 3:22.1. Paul Gemme set the junior 600 record, Milissa Bubon set the girl's junior 600 record, John Gemme set the junior dash record and tied the school record, and Dan Rocheleau set the junior high jump record and the school record at 5'9". The mile relay team set the school record for the mile. Tammy Bousquet and Mark Bubon were voted in as Most Valuble Players in this great season.

GIRL'S BASKETBALL

The Millbury Girls' Basketball team was the smallest team in the league. They achieved a league record of 5-9 and an overall record of 7-13, two games of which were lost in the last remaining seconds. Senior Darlene Breault led the team with 271 rebounds, 65 steals, and many points. Brenda Bergeron also made a great contribution to the team, not only with her playing skills, but also with her leadership and outstanding sportsmanship. Freshman Jodi Bush, sophomore Ellen Ward, and Junior Cathy Chausse started all twenty of the season's games. By the end of the season the amount of turnovers were cut by over half. The team also exhibited agility and development of many other skills. Overall, the team showed great improvement over the season.

The team was lead by Senior Co-Captains Brenda Couture and Lisa Evanowski. Lisa was also chosen as the most valuable player for the season. Another senior, Darlene Breault, joined the softball team for the first time and quickly showed her athletic ability by becoming the best first basemen in the league. The team also consisted of 8 Juniors, 2 Sophomores and 2 Freshmen.

The team had a very successful and rewarding year, one with which everyone can be proud.

It was an excellent year for the girls' Spring Track Team. The team finished second over all in the Southern Worcester County League Meet. This finish was extremely good considering that the team competed with less than 15 girls.

By far, the team's leaders in scoring were Brenda Bergeron, with 209 3/4 points, and Milissa Bubon, with 198 3/4 points. Both of these team members showed their skills by each achieving 20 points in a single meet, this is the most points that can be scored by one person in a meet.

With the begining of a new season also came two new events, the triple jump and the 330 lows. The outstanding competitors in these events were Brenda Bergeron, setting the triple jump record at 32'6½", and Karen Hjort, setting the 330 lows record at 52.7 seconds.

Coming back from an undefeated season in 1984 was no advantage to the 1985 Spring Track team, as they only had 2 returning athletes. However 15 new members, 13 of them freshmen, contributed to its success. David Wilbur and assistant John Dwinell coached the boys to an unexpected season of eleven wins and only one loss. Further accomplishments were second place in the S.W.C.L., fourth in the District Class Meet, third in the Decathlon, and fifth in the State Decathlon.

The Seniors, Mark Bubon, Tom Devine, and Paul Rocheleau were all four year members. Mark was the team's high scorer and holds the school's triple jump record; Tom, a strong 880 runner, consistently contributed points for the team; Paul holds the school's decathlon record and was the 1985 M.V.P.

Not only were there many top ten performances achieved by individual team members, but also, several school records were set. For example, the most consecutive wins of any MHS team were set when the track team obtained their 29th straight victory. Individual records were set by Dan Rocheleau, in the high jump, Mark Bubon in the triple jump, and Paul Rocheleau in the state decathlon. The track team was happy to live up its its reputation.

WHEN YOUR NAME IS OMNI IT MEANS YOU'RE GOOD AT EVERYTHING.

Ask the top 10 software developers what they look for in a floppy disk manufacturer. Chances are you'll hear only two words – quality and service.

Everyone knows they can get quality from a number of vendors, including us. But service from a floppy manufacturer or software duplicator can be hard to define. And even harder to find.

The reason is this simple: service is complicated. Because it isn't just one thing, it's many things. And, you have to be good at all of them.

No one understands this better than Omni. And, that's why no one works as hard as we do to provide the five most critical support services software developers need; copy protection, duplication, warehousing, distribution, and package design.

Put all these things together and you have something we at Omni call "Software Finishing," a coordinated package of support services designed to give your product a shot at the top 10, too.

We're Omni Resources.

OMNI

We're good at everything.
